

FACULTY OF HEALTH SCIENCES

Bachelor of Science in Nursing Program

Probationary Regular Full & Part-time & Contract Faculty

Competition Number: 2010-008F

Internal/External Posting

The Faculty of Health Sciences invites applications for regular and contract nursing faculty to teach in theory, lab, nursing practices and all other levels of the Bachelor Science in Nursing Program. Currently, we have opportunities in Mental Health, Pediatrics, Home Health and Medical/Surgical Nursing.

Successful applicants will meet the following criteria:

- Current licensure with CRNBC
- Baccalaureate degree in Nursing required for contract and relief positions
- Master's degree (PhD preferred) for regular positions
- Teaching experience in nursing practice (clinical), classroom/seminar, and/or laboratory settings in a nursing program or equivalent
- Recent nursing practice (clinical) and teaching experience in Pediatrics, Mental Health, Home Health and Medical/Surgical Nursing
- Ability to work effectively within a health promotion curriculum
- Experience in curriculum development, evaluation and/or research is an asset
- Effective interpersonal skills
- Self-direction, initiative and creativity
- Positive written references

Come join this dynamic faculty team in this exciting endeavor!

Applications will be accepted until all positions are filled. Please apply in writing, quote the competition number, include supporting educational documentation, letters of reference and forward to:
