...welcome to Douglas

## CAREER OPPORTUNITY

<b>Position:</b>	Biology Lab Technician IV (On Call)	<b>Competition Number:</b>	2012-013A
<b>Department:</b>	Science & Technology	<b>Classification:</b>	Pay Level 15
<b>Location:</b>	New Westminster Campus Coquitlam Campus	<b>Salary Range:</b>	\$23.52-\$26.50 Hourly

Douglas College is a degree-granting college emphasizing personal and career growth through academic exploration. Our vision is to be the largest and most progressive baccalaureate degree-granting college in British Columbia. We believe the definition of a good career is loving what you do and being good at it. Here, we'll help you uncover new passions, new strengths and new dreams. We'll push you to be better and give you the support to learn, grow and become what you've always wanted to be.

### The Role

[About Douglas](#)

[Full position profile](#)

[APPLY](#)

The Biology Lab Technician IV contributes to the success of Douglas College and its community of learners by providing laboratory instruction, evaluation and supervision of students in the biology laboratory including preparation of materials for use in the laboratory, subject to the curricula approval of the Biology Faculty. The Biology Lab Technician IV also provides exceptional client-centred service on a consistent basis to all stakeholder groups.

### To be successful in this role you will need:

- A B.Sc. in Biology from a recognized post-secondary educational institution. An equivalent combination of training and experience may be considered.
- Excellent working knowledge of the operation and routine maintenance of laboratory equipment and apparatus together with good working knowledge of safety measures related to the operation of the Biology laboratory, including WHMIS.
- Good working knowledge of English (written and verbal).
- A demonstrated ability to:
  - communicate courteously and effectively in person, in writing and over the telephone with students, faculty, administrators, staff, and the public.
  - work independently with minimum direct supervision.
  - establish priorities and achieve deadlines.
  - effectively demonstrate proper laboratory techniques.
  - maintain current knowledge in the field of biology.
  - maintain a high degree of confidentiality.

DOUGLAS COLLEGE

### **Work Arrangements**

This **temporary on-call position** is available for the anticipated period of February 13, 2012 to April 27, 2012. Hours of work could range from 4 hours to 35 hours per week, Monday to Friday as per lab schedules.

### **What Douglas Offers**

Douglas is one of the best places in Canada to help you do the work you love – and be good at it. Our open supportive atmosphere, excellent salary/benefits package, including on-site fitness and daycare facilities, and opportunities for professional development are just a few of the reasons you want to work here.

Interested applicants must ensure that a resume and cover letter is received in the Human Resources Department. **This posting will remain open until filled. Please ensure your resume clearly explains how you meet the required knowledge, skills and abilities of the position for which you are applying.**

This vacancy is available to internal applicants only. Qualified internal applicants shall be given first consideration in filling this position.
