III. English Proficiency

1. Below are some descriptions of English proficiency. Please choose the ONE that best describes your English abilities.
- I have studied English, but it is still difficult for me to say things in English. It is also difficult to understand native English speakers.
 - I can start and continue a conversation in English on everyday subjects; I can talk about my feelings in a one-on-one conversation.
 - I can start and continue a short conversation on familiar current events; I am comfortable asking questions when I don't understand.
 - I can talk at length on a topic in the news or about a current event; most English speakers can understand me quite easily.
 - I am comfortable discussing formal and informal topics in English; English speakers understand me quite easily.
 - I can understand non-ESL introductory lectures in English and participate in a discussion of the ideas.

III. English Proficiency (continued)

2. **If you have taken any English proficiency tests, please indicate the results below:**
(Examples: TOEFL, TOEIC, IELTS, Japanese EIKEN, etc.)
