Fall 2010**

About the Academy

Shuttle Sport International and the Douglas College Sports Institute are proud to announce the opening of a second Badminton Academy. After the huge success of the Coquitlam Academy, Shuttle Sport/Douglas College have once again come together to offer programs at it's New Westminster location. Shuttle Sport's Performance Director, Arif (Al) Mawani will provide leadership for the Badminton Academy. Mawani is also currently the Head Coach of the 5 time National Champion Douglas College badminton team. The academy offers programs from the grassroots level to the elite level. Players can register to learn basic skills and get some exercise or take it more seriously by moving into the competitive programs. The emphasis will be on skill development & tactical awareness. Former Douglas College Athletic Director, Lou Rene said "The Academy will encourage and integrate participation in all aspects of the sport from coaching development, elite competition, recreational/drop-in programs through to camps for kids."
