

Recreation Therapist - Inglewood Care Centre

Inglewood Care Centre, a 235 bed long-term care home located in West Vancouver has an immediate opening for a full-time Recreational Therapist.

Candidates must possess or be in the process of obtaining a Diploma in Recreational Therapy, class 4 Drivers license, current CPR and food safe.

The successful applicant will be an individual that will work well as a professional team player, has enthusiasm, skills and experience working with the frail population.

Inglewood prides itself in being a resident focus facility and a great place to work.

If you meet the job requirements of this position, then I would encourage you to submit your resume by faxing me @ 604 – 922-2709 or by phone for additional information.
