

## **Ocean View Care Home – White Rock Casual Activities Assistants**

We currently have only one name on our casual list for activities and recreation. We have many great outings and events planned for the New Year that we will require casual help for. We encourage some of your current and past students to apply for this position. We are team oriented, looking for people that are fun and friendly while being safe and professional at the same time.

Please e-mail your resume to the address below. No phone calls at this busy time of year please.

Cindy Morrison, Activities Coordinator
