

*Donations to the Pat Isert Memorial Bursary
In Memory of Merv Isert*

Merv Isert established the Pat Isert Memorial Bursary endowment in collaboration with the Port Coquitlam Area Womens' Centre in memory of his wife after her untimely passing from cancer in 1979. In honour of Merv and Pat, family and friends hope to continue to build this bursary for mature female students at Douglas College working towards their educational goals. All donations made to Douglas College Foundation in memory of Merv Isert will be put towards the Pat Isert Memorial Bursary endowment. His family will be notified of your donation, but not the amount.
